

## Printing Maths Eyes resources

The Maths Eyes posters and images are downloadable from the website and are in print ready format. This means that anyone can download these and print them from their own computer. The images and posters can also be printed professionally using any printing company. The images and posters can be printed in a variety of sizes up to A2 size (please note this depends on the quality of the image). Below is some information on printing companies in Ireland.

**Reads Design, Print & Display, Setanta Centre, Nassau Street, Dublin 2**

A3: €0.50 each; A2: €7.50 each; Prices include vat.

That's on a good 200 gsm card / paper stock.

With the A3 size posters there is usually a one off handling fee of €23.50 – this can be negotiated to a reduced price of €1.50 upwards, if you email [print@reads.ie](mailto:print@reads.ie) and mention the Maths Eyes Team discount.
